

Blendtec® home

The Professional's Choice™

Famous patented square jar design just like the one used in nationwide coffee, juice, and restaurant chains. Big 64oz. capacity, one year warranty.

Patented 2-prong stainless steel blade with lifetime warranty!

Powerful commercial quality 1500Watt, 3HP direct-drive motor, spins blade at 29,000rpm. Comes with an Ice Crushing Guarantee and three year warranty on motor and base.

Smart-Touch tec-nology™ means when the button is pushed, a pre-programmed cycle automatically speeds up and slows down then shuts off when the cycle is complete, so recipes will turn out perfect every time. 25 pre-programmed cycles for a wide range of food preparation and 4 changeable pre-set buttons allow favorite cycles to be easily accessed.

The Blendtec® home blender replaces other kitchen appliances:

- Grain mill
- Juicer
- Ice cream maker
- Smoothie maker
- Blender
- Milkshake maker
- Coffee grinder
- Ice crusher

One machine does it all for a fraction of the cost!
